ADYTUM

VOLUME 72

*This is Adytum '65, your yearbook,
an attempt to capture in pictures
and words at least an echo of the
year that has been a very important
year for each of us because it
belongs under the heading "College
Days." Adytum, the innermost or
secret shrine of ancient temples,
seems an appropriate title, for these
pages tell the story of a special time
in each of our lives. Here at
Denison we have the opportunity to
tap the innermost thoughts of the
great minds of history—to absorb,
to wonder, to question, to
doubt—yet always to stand in awe
of the glory of man's intellectual
achievements. But college is also a
place to experiment and grow in
other ways, to come to know
oneself as a unique individual with
much to offer society and to
understand and appreciate other
people as partners in the search for
meaning in life. The four years we
spend at Denison can constitute
one of the most rewarding
experiences of our lives, yet we
must not allow our relative
isolation on college hill to blind us
to the realities of the "outside
world." Only if we keep in mind
both our future goals and present
obligations will we be able to look
back with joy and satisfaction to
our days here.*

Each building structure on Denison's campus represents something to every student—a place where friends are made, study is carried on, knowledge is acquired, business is transacted, grades are received, and God is worshipped.

"Kill the Beast! Slit its throat! Spill its blood!"

Denison's own version of Golding's classic? No, it's just the annual rush on the Sig house—better known as Derby Day. Profs may pout, Molly may mutter, and Whistler may bulge, but undaunted coeds still struggle gleefully for the treasured chapeaux. Later events at Spring Valley brought the D.G.'s first place honors (?) . . . education has many faces.

The controversial issues and candidates of the 1964 Presidential elections sparked a great deal of enthusiasm on campus. Weekly articles in the Denisonian, active campaigning by the Young Democrats and Young Republicans, and spontaneous, informal debates clearly showed the students' lively interest in the world of national politics.

One of Denison's most treasured traditions is that glorious day of unexpected (well, relatively) freedom ushered in by the halting strains of "Hold That Tiger." This fall the Freshman Sophomore Tug-of-War took an unanticipated turn as the scrappy sophs dunked the mighty frosh battalion. Blue skies and snappy breeze . . . a great day for picnicking, dancing, racking, booking, or even heading for Newark.

"Hold That Tiger"

Perhaps it is to recapture for a short time the magic of being twenty, carefree, and oh-so-wonderfully wise that hundreds of Denison alums return to their Alma Mater each year for Homecoming. The colorful excitement of the annual parade down Broadway, the battling Big Red football team in action, the Ugly Man contest, the crowning of the Queen . . . a time for remembering

Kappa Alpha Theta

Every college has a center or hub around which campus life seems to revolve: a place to take a study break, meet friends, read the latest bulletins, check your mailbox, or even write a term paper. Denison is no different.

There is so much more to a college education than simply lectures and books. We learn as much from each other as from all our G.E. courses combined; for man is a social animal who desires to talk, to discuss, to argue, to listen—to understand and to be understood.

Nightfall . . . and a hush falls over the campus. But the stillness is laden with concentration and creativity. Education is more than a job; it's a way of life. When the chapel bells ring at 5:00 P.M., the day's work is seldom done. In the lib, on the fourth floor of Slayter, in an empty classroom, students earnestly (and sometimes a little less earnestly) tackle this business of getting an education.

KAREN'S ELEGY

A.W.

As fog pervaded East in level ranks,
 You danced by the water.
 Like the silver appendage of a spider
 You caught the light in which you spun,
 And your heart was an eagle draining
 The wind to die. Shaking the snow
 From your wings, you said, "Think
 Of the silence between our hands."
 A silence of feathers and warm blue eggs
 That thrive where the cedar cones freeze.
 Such was the silence as, one by one,
 The days threw off their chains. The wind's
 Ammunition diminished, and ice disappeared
 From the arsenal floor. The spikes of Spring
 Grew taut and greened the land. Geese
 Barraged from southern guns, shelling
 The northern plains, but, removed
 From the revolution, you swam
 In shallows and braided your hair.

Then Autumn came like Scottish warriors;
 A forest of tartans. You apprehended this—
 Turning towards the orchard, rebel,
 You raised your arms, "Pears, split with
 Ripeness, and drop your nectar on brown
 Pine needles this afternoon." Though the fire
 Sang and a leaf and acorn fell,
 The disciplined fruit lingered in silence,
 And, as geese roved home, you covered
 Your body as one who wraps a shroud about
 Her child; too deep a sigh would stir
 Your human dust.

Then, as blue inflected crimson
 Ignited cliffs, an ocean riveted with stars
 Assailed your spine and tumbled you into
 The furrows like a seed. You parted
 Your lips for the rain, giving your breasts
 To the wind, and your delicate fingers
 Became talons filed to destroy.
 Yet burning this the last feather,
 I forgive the dark incisions:
 As we watched one night dishevel dusk
 And yield to dawn, your lashes stripped
 Me of husks and left me blind and naked
 On the threshing floors of your eyes.
 Unlike a conch in a child's hand,
 With amplified chants of water and wind
 This ricochets through my flesh,
 For I lean like a tree too close to the sea,
 And my seed explodes in the sand.

Chicken Little

C.M.

I dreamed a day so
 Bitter bright glazed,
 A shriek, a sharp
 Sled's runner on concrete
 Might shatter it;

Even as the ice-image is
 Of sky and clouds
 By little boys in boots
 Stamping frozen puddles
 Cracked

FISHING WITH LIGHT TACKLE

R. H.

Each time I cast my lure disturbs
Your pool, and you only
Watch the waves usher their weight
To the shore, and when I

Tease your mouth to commune on prayer
Thin line, you suspend your
Silver move in quivering shadow.
In hunger's ritual, I

Stalk and read the shallows. The wind
V's the fervent stream's
Still side, and I forget the vision
Of you flashing in your quarried

Pride. A dark thrust-swirl. The line sings
Colours of our separate worlds.

Most Denison students don't suffer from cases of "all-work-and-no-play." Indeed, sun-worshipping, stop watch watching, tv gazing, horse and goat snatching, and just plain wanderin' are but a few of their pastimes.

From the first cold rains of March
 that melt away winter's snow and
 slush to the May shower of apple
 blossoms that covers Chapel
 Walk—there's something about a
 Denison springtime which simply
 isn't conducive to study. Umbrellas
 bloom in Huffman's lower lounges,
 the smell of freshly mown grass
 drifts over the campus, students
 begin to get that wistful, faraway
 look in their eyes, and
 understanding professors
 compromise by holding classes out-
 of-doors.

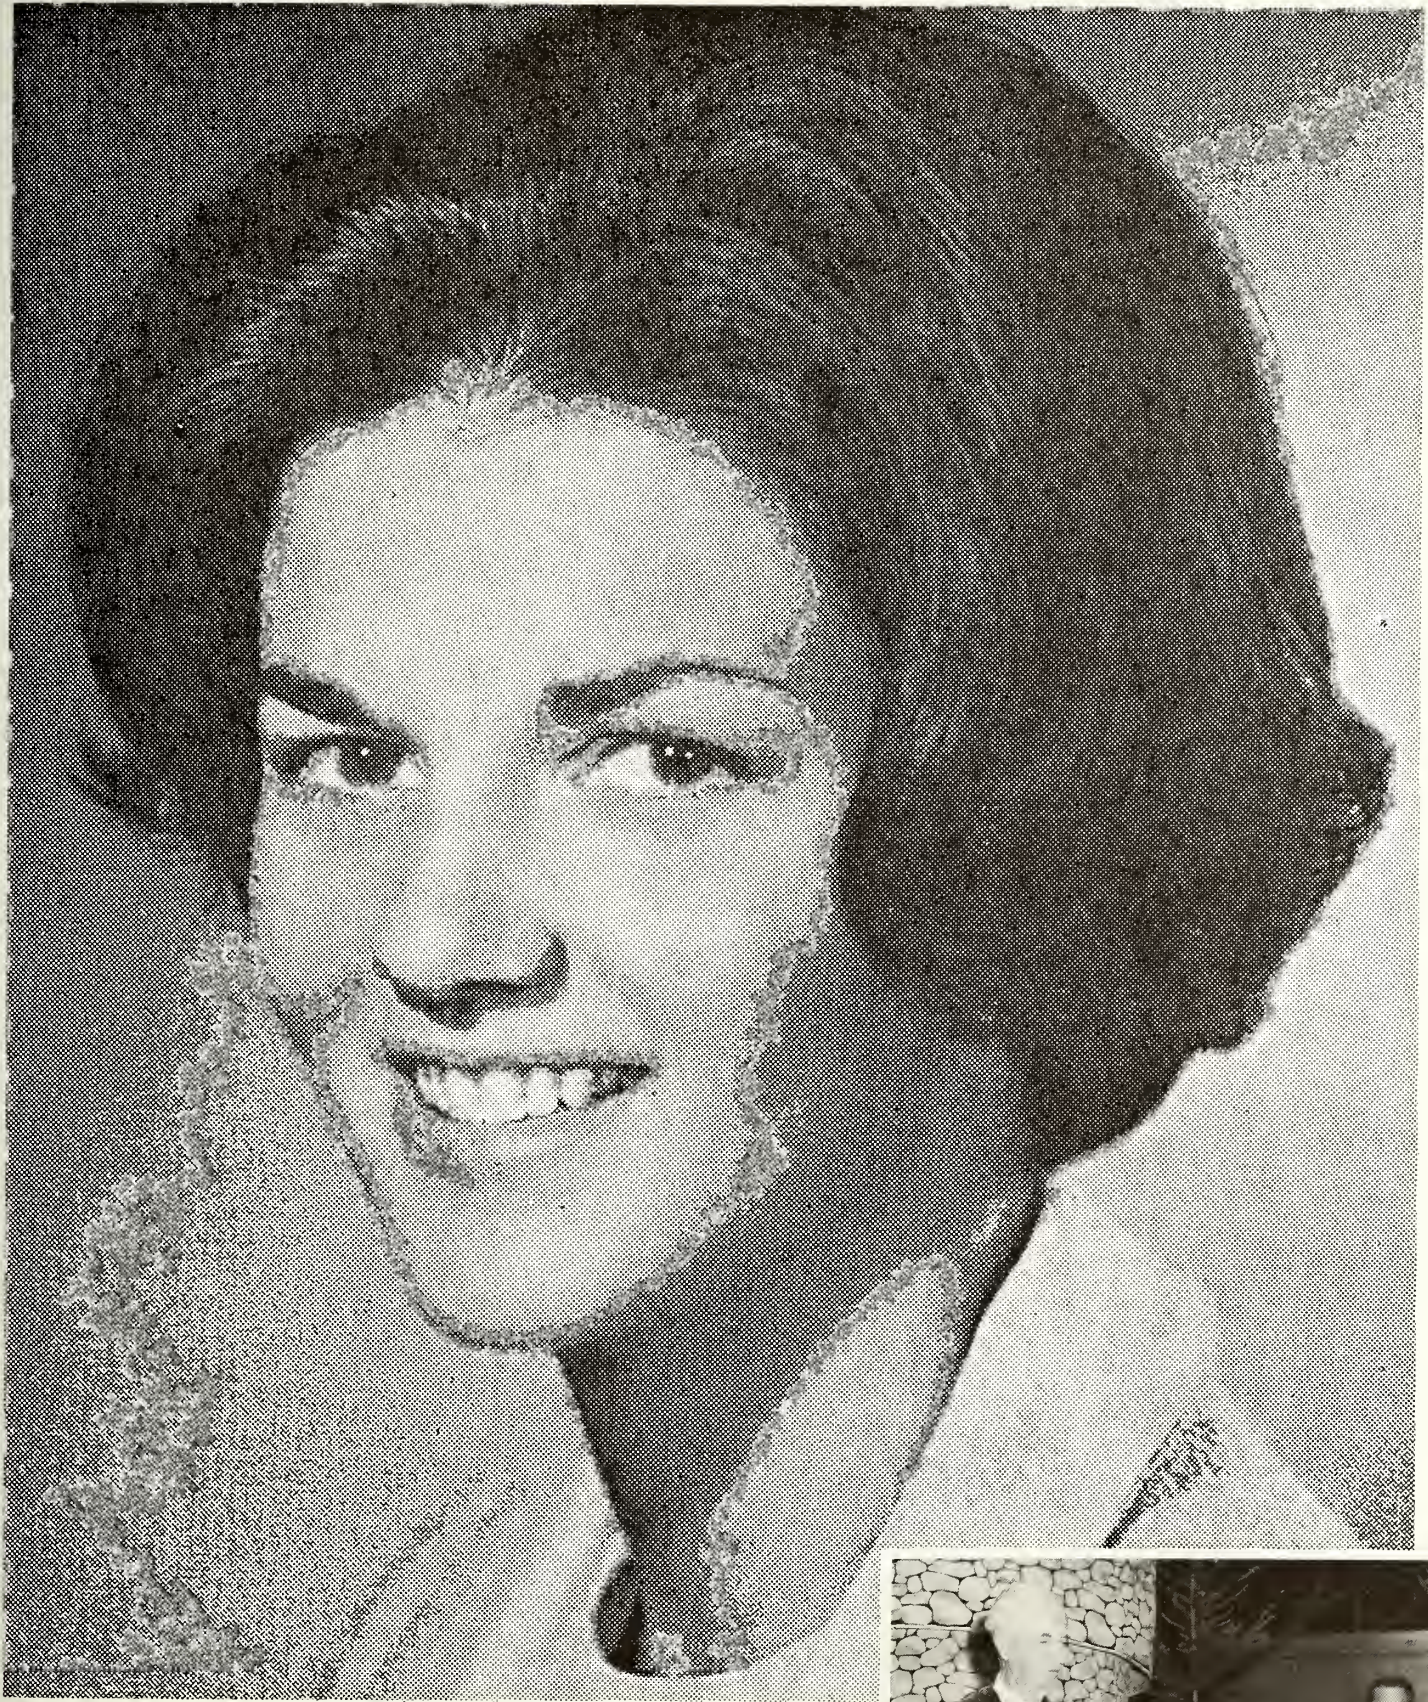

As winter exits on the warm breezes of springtime, the entire Denison community finds itself engaged in a fever of activities such as tutoring and serving for Bonds of Friendship. John Davidson highlighted this year's Bonds' weekend—a smashing success. And then came the annual May Day—Mother's Day Weekend—bringing with it unbelievably lovely weather and Denison's own Queen of the May, Miss Carol Heacock.

As June nears Seniors begin to realize that there will be many "no more"—no more working phone duty, eating in dining halls and fraternity houses, picking up sheets on Tuesday, watching the underclassmen trample each other as they rush to be first in line at meals, falling asleep while studying for comps in the lib, having classes in Slayter, watching the new buildings go up, participating in serenades, and marching in proudly to receive that Denison diploma. (But college days will continue in September for the new seniors, juniors, sophomores, and the spanking new freshmen). Good-by, ". . . Fair college on the hill, . . ." but a good-by said knowing that there will be a future ahead with many opportunities; a future, too, with memories of ". . . The scene of happy college days . . ."—the scene of great importance and influence in our lives. Seniors, we'll expect you back as alums!

FOOTBALL

Big Red passes down.

The 1964 edition of Denison's Big Red gridders, sporting their single wing offense, had a 3-3 record in the Ohio Conference and defeated all non-conference rivals finishing the season with a fine 6-3 record. In the home opener against non-conference rival Rochester, the Big Red surged back in the second half to defeat the New Yorkers 20-7. The Big Red added two more scalps to their skein by defeating Wilmington 35-7 and conference rival Wooster 7-0.

Homecoming spirit was dampened as the Big Red, looking ahead to the battle with unbeaten Wittenberg, was upset by an inspired Mount Union team 21-7. The following week the Denison gridders matched the nation's number one ranked small college team, Wittenberg, yard for yard in the second half, but could not overcome a rocky first half and dropped their second straight 40-14.

The Big Red bounded back onto the winning trail defeating non-conference opponent Carnegie Tech 27-7. The following week, however, a Dad's Day crowd of 5,000 watched Muskingum get revenge on Denison for her stunning upset last year as the Muskies defeated the Big Red 13-7.

In the home finale Denison romped over cellar-dweller Kenyon, setting a record of 31 first downs and defeating the Lords 60-0. The Big Red ended the season on a winning note by defeating its traditional rival Ohio Wesleyan 22-6.

Tailback Denny Price's 741 yards rushing, good for 60 points, earned him the Ohio Conference rushing and scoring titles. Tackle Stan Kondracki was voted Denison's most valuable player and most efficient offensive lineman awards. The juniors dominated the rest of the awards as San White was named most efficient offensive back, Bob Chisholm was chosen most efficient defensive lineman, and Paul Hylbert was named most efficient defensive back. Sophomore Bo Schubert received the most improved player award.

Goalie Iain Callan stops another.

The Big Red soccer team, with 25 returning lettermen, compiled a 6-5-2 record this year and won a berth in the NCAA Mid-East Regional Soccer Tournament.

The team got off to a slow start with a tie at Ohio University and a loss to Hartwick. However, in succeeding games the team was able to live up to its potential. Led by Co-captain Dick Moser and goalie Iain Callan, the booters beat Kenyon 6-0 in a conference match.

They outshot the Lords 53-7.

In the tournament Denison came up against Akron, the defending champion, and lost a heartbreaker 5-2.

Junior Bill Stephens, fourth in goals in the conference, was placed on the first team of the All-Ohio Squad. Goalie Iain Callan, Chip Chamberlain, and Pete Gustavson made second team, while Dick Moser copped Honorable Mention.

Co-captains Moser and Gustavson tied for the Mike Gregory Most Valuable Player Trophy, and John McCarthy received the Most Improved Player Award. Most Efficient Offensive Player Award went to Gary Arnold, and Chip Chamberlain won the Defensive Award.

In their second year as a varsity team, the cross-country team showed much improvement. Plagued with injuries throughout the season, the harriers were not able to win any matches but showed much potential.

Junior letterman Fred Williamson improved greatly over last year and turned in some very impressive times throughout the season. Other returning lettermen were Dave Boothby and sophomore Pete Chaveas. Some very impressive freshmen joined the team this year and gained much experience. Pete Walther and Al Risch improved greatly over the season, but freshman Greg Phillips broke his leg after the first meet and was sidelined for the remainder of the season.

Coach Gibbons expects next year's team to sport a better record with five lettermen returning.

Midwest Hockey Association Record 6-3.

The Denison hockey club, 1964 Midwest Hockey Association Champions, compiled a 6-3 league record and was a runner-up for the 1965 hockey crown.

The team opened their season with three non-league games in the powerful eastern college area. Although they lost all three, they did gain valuable experience with teams vastly superior to their own league teams. They immediately snapped back, however, and took the next five league matches with little trouble. At Kenyon, sophomore Glenn DeMallie scored three goals in the second period to break a 1-1 tie and provide the needed advantage for a Big Red victory. At Dayton, San White, just off the injury list, slapped in a pair of goals to send Denison home victorious.

In their ninth game of the season, Oberlin College finally stopped the Big Red pucksters 9-4. It was the first league defeat Denison had suffered in the preceding 14 league contests, going back as far as mid-season 1963. The Yeoman were only able to accomplish this feat by slapping in six straight goals in the final period of play.

In the semi-final championship game, Denison annihilated Fenn College 10-0, as Tom Cooper tallied three goals. In the championship game Denison attempted revenge on Oberlin, but after a bitter duel in which two sudden death overtimes were played, the Yeoman finally pulled it out 5-4.

Coach Bill Preston expects a fine team next year as Glenn DeMallie, Gordie Trevett, George Parks, Tom Cooper and Goalie Paul Hylbert will all be returning lettermen for the Big Red.

Ohio Conference Record 9-0

Rick McBurney "butterflies" to the finish.

Three years ago the Denison swim team, under the direction of Ted Barclay, finished its first season with a 1-8-1 record. The 1964-65 squad went undefeated in the conference regular season 12-1 overall and placed second in the Ohio Conference Meet. The team is composed of eight of the nine top swimmers from last year, plus an exceptionally fine freshman squad.

Sophomore Doug Landgraf was the Big Red's workhorse, swimming the 200-yard butterfly, 500-yard freestyle, and 200-yard individual medley relay. He broke records at nearly every meet. He won two events in the conference meet and set a new conference record with the 200-yard butterfly.

Freshman Hugh Wilder, All-American in high school, bettered the school record four times in the backstroke and also helped out in the 400-yard medley relay. He copped first place in both the 100 and 200-yard backstroke at the conference meet.

Other freshmen who saw regular action were Rick McBurney, freestyler and butterfly; Bart Weyand, freestyler; and breaststroker Steve Schultz. Co-captains Tim Bannon and Jim Lake along with sophomore Sam Pole round out the regular squad. Hal Ross and Craig Koerpel share the honors in diving. Ross became the new conference diving champion in the conference meet.

The two most important meets of the year came toward the end of the season. Unbeaten Wittenberg, winner of the Ohio relays, went back to Springfield with one defeat as the Denison tankers outstroked them 59-36. Denison won seven of the eleven first places and set six pool records. The following week saw Denison drub Kenyon, defending conference champs, 54-41 by taking seven of the eleven events. The Big Red's only loss came at the hands of highly rated Cincinnati.

In the conference meet Denison swimmers took six titles. Unfortunately, the conference switched over to a new system of scoring which found Denison finishing second behind Kenyon. If they had been on the old system, Denison would have won the championship.

With the loss of only one senior on the team, the Big Red tankers look forward to a very strong team next year in their fourth year of competition.

Denison's young wrestling squad, coached by George Gilbert, chalked up an excellent season record on nine wins and only two losses. The Big Red matmen were paced by three wrestlers who were undefeated in season competition, Co-captain Dan Tuttle, Bob Gibson, and Ed Season. These three men were strongly backed up by Co-captain Dave Graff, Tom Stege, Jim Lawton, and freshman standout Jack Hilbert.

The squad won its first five matches and went on to outscore its opponents 223 to 115. The high point of the season did not come until the final match of the season when the Big Red grapplers defeated previously unbeaten Baldwin-Wallace 14-12. The team finished fourth in the Ohio Conference Meet behind Hiram, Baldwin-Wallace, and Akron. Dan Tuttle won the conference title for the 137-pound class. Heavyweight Bob Gibson also gained a third place title in the conference finals. Gibson then went on to place third in the heavyweight division of the NCAA small college conference finals leading Denison to a 15th place finish among the nation's small colleges.

With many of the wrestlers returning next year we can look forward to a continuation of Denison's fine wrestling heritage.

BASKETBALL

The Big Red hoopsters sported one of its youngest teams in many seasons. The team lost four lettermen through graduation. With only three returning lettermen, underclassmen had to step in and fill some mighty big shoes. A fine crop of freshmen, although lacking the valuable college experience, added immeasurably to the team as the season progressed.

After a slow start, Denison finally showed its great potential by beating powerful Otterbein in double overtime. The Otters' key man, Don Carlos, conference leading scorer and rebounder, was held powerless by the tall Red defense. The Big Red finally nailed the game down in overtime 56-51.

At DePauw, junior letterman George Barber played the best game of his college career tallying 31 points along with 30 rebounds, but all in vain as a full court press caused the Big Red to turn the ball over 25 times and thus lose a heartbreaker 69-62.

In the most exciting game of the year Denison played a very aggressive game against powerful Wittenberg, only to be beaten in the fourth overtime 62-60. The nationally rated power had to use all of its material to outscrap the Big Red as Denison outshot and out-rebounded the Tigers. Bob "Colonel" Johnson led both teams with 21 points.

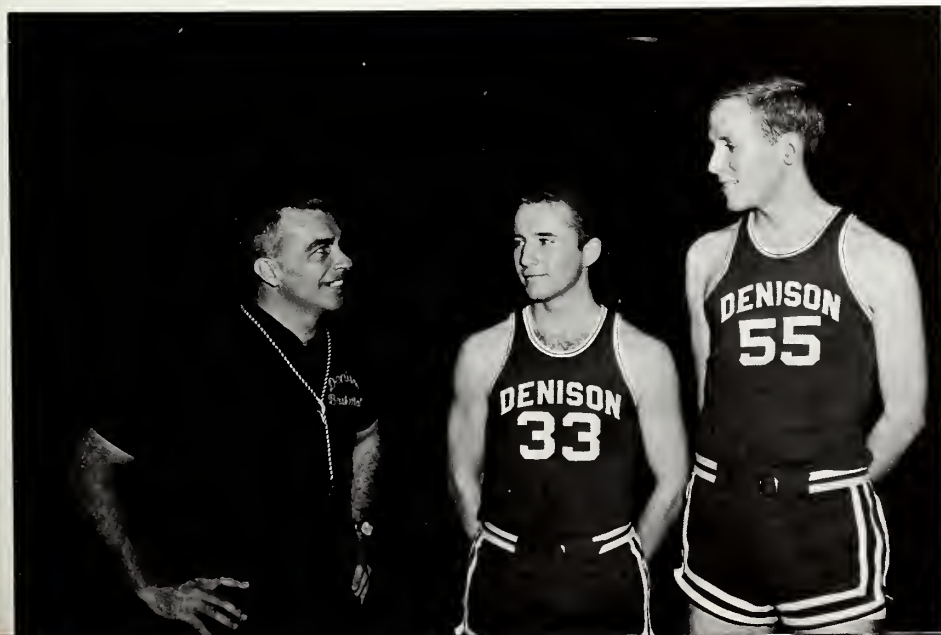

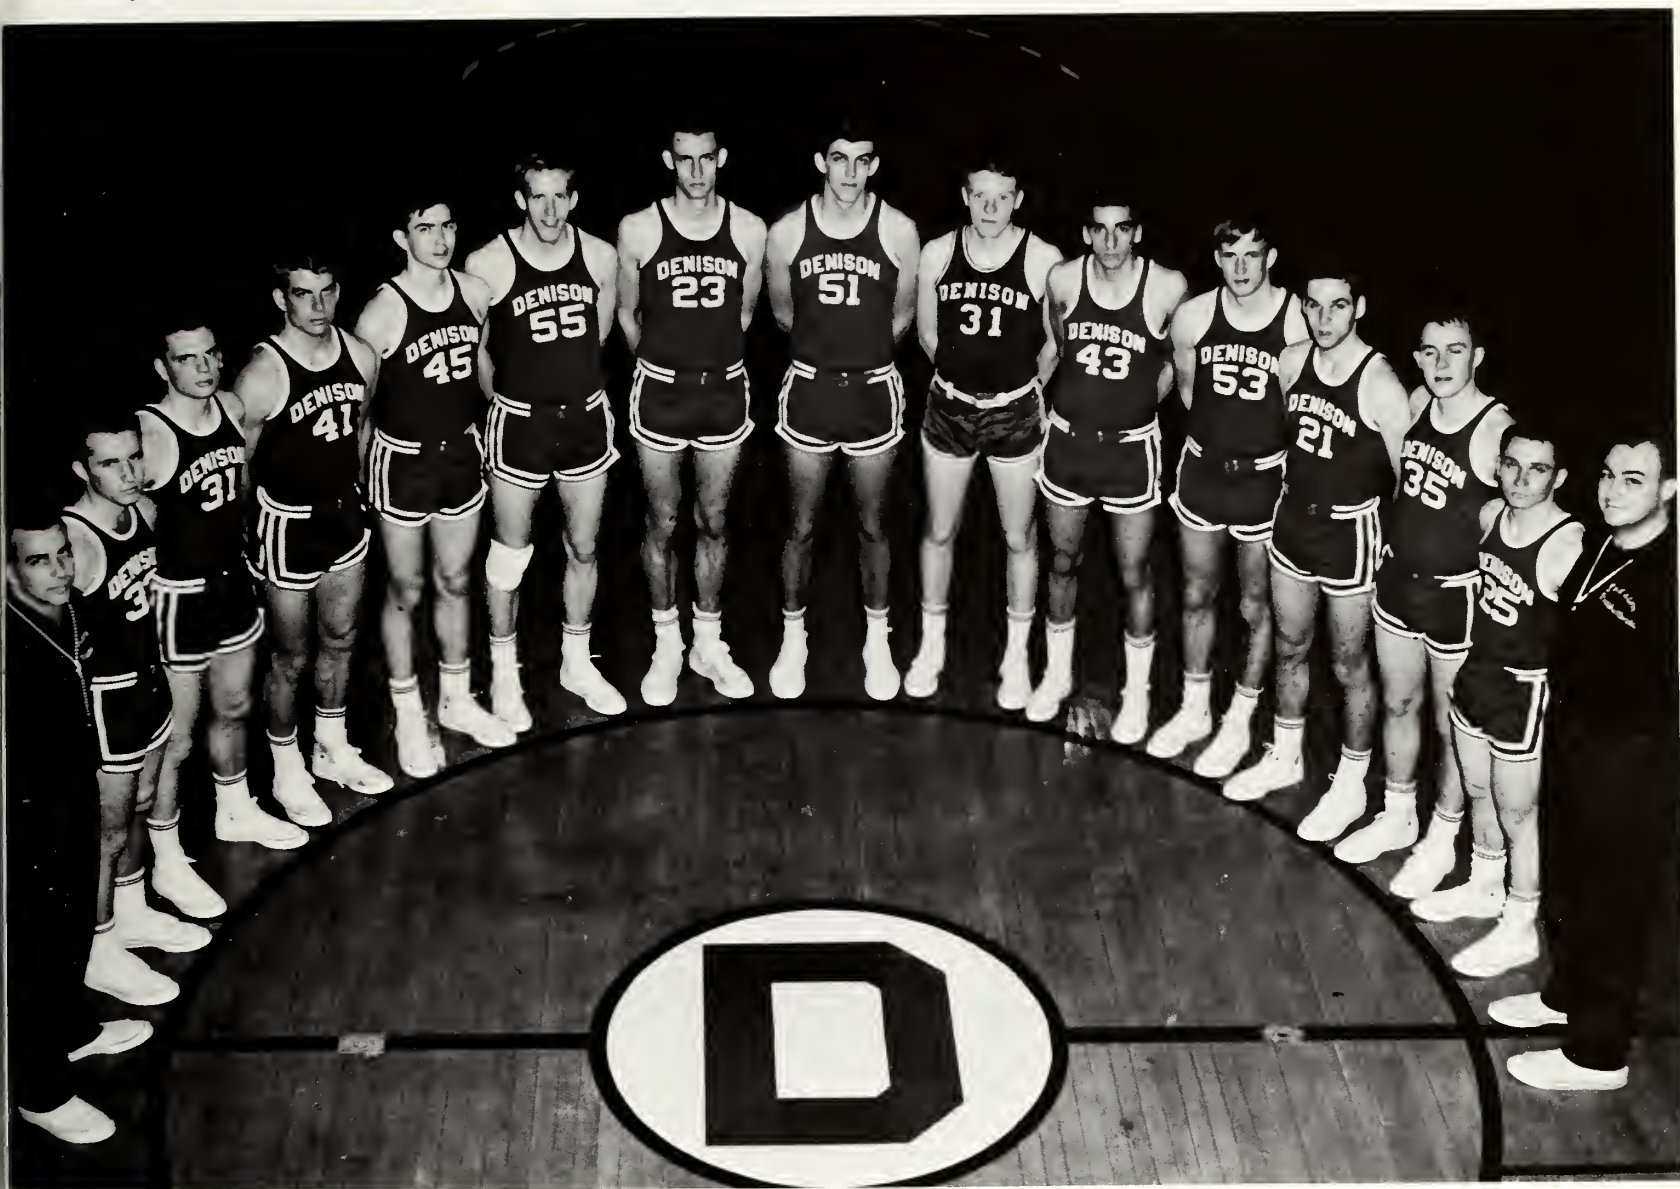

In the Ohio Conference Tournament Denison drew second-ranked Ohio Wesleyan. The Bishops, led by Barry Clemens, Mike Gregory Award winner, had to go to the last moment of play to secure victory as the Big Red went down 59-57.

Coach Dick Scott commented that this year's team was one of the youngest he had ever worked with and yet has more potential than any other. Barber, Johnson, and guard Sam Pratt along with freshmen Bill Druckemiller, Karl Bolstad, and Tom Demo, who saw regular action this season, will all be back next year to give Denison one of the most potent teams it has had in years.

Big Red plan strategy.

The 1965 lacrosse team compiled a record of eleven wins and one loss and tied Ohio State for the top position in the Midwest Lacrosse League. The stickmen also continued a 34 game winning streak on their home field dating back to April of 1960 without a loss.

The stickmen went nine tough games without a defeat. In the Syracuse game goalie Bill Stephens made 22 saves to keep Denison on top 11-9. In the Kenyon romp Denison scored 11 goals in the first half, five of them by big Pete Johnson with five assists by junior John Beatson. Freshman Dick Rieg surprised the crowd by chucking in three goals himself.

But the big games were the two matches with Ohio State. In the first match Denison pulled out a victory by pure determination. With four minutes remaining in the game the Big Red was down by two. At that point Sandy Campbell, followed by Pete Johnson, whipped a pair of shots past the State goalie to tie the game. With seconds remaining Rieg flipped the ball to Johnson who rammed it past the shell-shocked OSU goalie for the score. The win was attributed to the sparkling offense of Pete Johnson and the whole defensive unit, composed of Al Burnett, Paul Doty, Bill Wynn, Kim Kugler and goalie Bill Stephens.

In the second OSU game the Big Red just did not have it. Al Burnett midway in the game was injured and left the game leaving a wide hole in the Big Red defense. Ohio State won 13-6 and as a result put Denison into a tie for first place with them.

The Denison Varsity AFROTC "A" Rifle Team earned its Eighth Interdetachment Championship and the "B" Team won its second by winning over Ohio Wesleyan, Otterbein, and Kenyon.

In national competitions the team won over West Point, Marshall, Pennsylvania State Teachers', Northeast Louisiana State and bowed only to University of Arizona.

Pacing the team for the second year was Olympic hopeful Dale Bizily who again won the team's High Marksmanship Award. Commander Geoffrey Goll led the fine team.

The 1965 edition of Denison's tennis team went undefeated in regular season play. Coach Dick Scott engineered his first undefeated team through a very rugged season and was able to cop second place in the Ohio Conference Tournament.

It was a highly successful year for senior Dan Hazelton as he went without a defeat in number one singles and along with Captain Frank Krohn went undefeated in number one doubles. In his four year career at Denison Hazelton has compiled a fantastic 34-5 record in singles and 35-4 record in doubles.

Freshman Mike Barr also made a big hit in his first year of collegiate tennis. Barr played number three and four singles and teamed up with Bob Hellerson to do equally well in the doubles category. It was this doubles team of Barr-Hellersen that gave the Big Red their crucial win over the defending champs from Ohio Wesleyan during the season.

In the Ohio Conference Tournament Denison came up against stiff competition from a rough Wittenberg crew and were squeezed out of the winners' spot. Dan Hazelton, however, brought home a gold medal while Tom Hardesty and Ken Booth were able to gain a medal in the number three doubles.

GOLF

For the second year in a row the Big Red golf squad went undefeated in regular season play. They have succeeded in beating their last 30 opponents and their last 37 Ohio Conference foes.

In his first year as coach for the linksmen, Roy Seils put together a well-rounded squad of experienced upperclassmen and talented freshmen to make up one of Denison's finest golf teams. Captain Ron Morgan and junior Pete Stocker were able to take medalist honors in most of the matches, but occasionally freshmen Fenton Davison and Joe Gavazzi came out with the lowest tally and won medalist honors. As a whole the team was able to average a sizzling 77.9 strokes per match.

The rough blow of the season came when the linksmen were at Marietta. They won the match 14½ to 7½, but in the process Pete Stocker pulled a muscle, and two weeks later in the conference championship he was so hampered by the injury that he scored well over par which forced Denison to release their almost traditional hold on the conference championship cup. As a team Denison finished third in the finals.

Coach Roy Seils expects another great team next year as all but one of his starters will be back.

The Big Red indoor track team placed third in the Ohio Conference Relays and compiled a regular season record of eight wins and one defeat. The outdoor track team placed seventh in the conference meet and broke many records during the regular season.

Most valuable player award winner, Chuck Campbell, broke and rebroke the school record several times in both indoor and outdoor track. Outside he lowered the mile record from 4:25 to 4:18. At Heidelberg he ran the three-mile run for the first time in his life and lowered the track record 25 seconds and the school record by two minutes.

Co-captain Evan Patterson continued this year to break all records in both the high and low hurdles. Unfortunately Patterson pulled a muscle midway through the indoor season and was out of action for the remainder of the season. The doctor gave him the go ahead for the Marietta outdoor meet, and Evan proceeded to take first in the high hurdles in that very meet.

Art Morrow put the shot for the Big Red this year and attained a record put of 49'1" and went undefeated in the discus during the outdoor season.

John McBride broke the ten second mark several times this year for the 100-yard dash, and Jim Dreyer placed first at both Heidelberg and Oberlin in the 440-yard dash.

Coach Bob Shannon felt that this year's team was outstanding and holds many records that will not be broken for many years to come.

Catron zeros in.

In Glenn Stennett's maiden season with the Big Red baseball team, he broke even with seven wins and seven defeats. A very potent group of freshmen found themselves in first string positions this year, and although lacking the college experience, they worked right in with the rest of the team. Freshman Bill Kocher in his first starting game in college against Baldwin-Wallace went three for five with two triples and a pair of RBI's. In the same game freshman Rod Poetter smacked a four-bagger. A week later during a double-header at Kenyon, Kocher went four for eight with two home runs. The following week freshman hurler Woody Dill, in his first college assignment, beat Muskingum 4-1 as he struck out six.

The pitching staff had plenty of depth this year with hurlers such as sophomore Jim Brown, Gary Arnold, and Jay Ogsbury besides Dill.

The hitting department was stimulated by Dan Kipp who led the team in RBI's and Jim Rogers, who had a perfect day, four for four, at Kenyon early in the season. Stan Kondracki, defending conference batting champ, and pro-prospect Bud Christ also aided the Denison sluggers considerably.

Although the team is losing a few key men, such as Kondracki, Coach Stennett is looking forward to a highly successful season next year.

Big Red slides into third.

BETA THETA PI

Dreary the man who
spurns his comrades,
Stumbling along his
lonely way;
Happier he who joins
his brothers
Singing a-Beta-lay!
Chorus:
Marching along in Beta
Theta Pi;
Marching along, we'll
rend the air with song,
Strong in the might of
our bonds fraternal,
Friend of the right and
foe of the wrong;
Following paths old
Wooglin blazed for us,
Till we arrive at that
shrine on high,
Singing again, "Mother
of Men,
Hail to thee, Beta Theta
Pi!"

DELTA UPSILON

If her hair is gold and
her eyes are blue,
Then she wears the colors
of Delta U.

And if her smile is sweet
and her heart is true,
She's the Sweetheart of
Delta U.

But if her eyes are green
and her hair is brown,
And your heart is flying
and won't come down,
And you picture her in
a wedding gown,
She's the Sweetheart of
Delta U.

Whether it's Spring or
Winter time,
Or Summer time or Fall,
The time to pin the girl
you love,
Is any time at all.

If you love her only and
she loves you,
Then the world is gold
and the sky is blue,
Tell the girl you love,
tell the world too,
She's truly the Sweetheart
of Delta U.

Well, if we can't get 'em in the front door . . .

Soakin' up a few rays . . .

KAPPA SIGMA

Kappa Sigma, queen of friendship,
One deep toast to thee.
We, thy sons, with true devotion
Pledge our hearts so free,
Marching o'er the starlit campus,
Hear the song we raise,
And our Crescent and Star we will fling afar
In Kappa Sigma's praise.

Once again before thine altar
Loyal brothers stand;
Once again our vows renewing,
Pledge our heart and hand,
Star and Crescent gleaming o'er us,
Guide us as of yore,
And we gather here with a ringing cheer
Kappa Sigma forever more.

Hey, you guys, does this look like D-Day to you?

Are you sure you know what you're doing?

Ten seconds to lift-off and all systems are "go."

Come, all ye loyal Fiji boys,
And drink a cup with me:

A friend in need is a friend indeed.
So, one-two-three.

Come gather round the table, boys,
And fill them up again:
We're free to shout and make a noise,
Until the night doth end.
And when the morning sun appears,
The Fiji still shall be,
The dearest band that can be found.
So, one-two-three.

Chorus

Hurrah! Horray! We'll raise a hullabaloo!
Hurrah!
We'll drink to the royal purple hue;

SIGMA ALPHA EPSILON

Her loveliness, her tenderness have stolen all my
dreams.

The sight of her will always bring a thrill.
The magic in her voice is like a melody, it seems.
I love her now, I know I always will.

The sweet perfume of violets, the moonlight in her
hair

With happiness around her everywhere
And from the start she won the heart of our
fraternity

She wears the pin of S.A.E.

Jim "the Pyromaniac" Lawton . . .

Wham!

When the world goes wrong as it's bound to do
And you've broken Dan Cupid's bow,
And you long for the girl you used to know
The girl of the long ago.
Why light your pipe bid sorrow avant.
Blow the smoke from your altar of dreams,
And wreath the face of your dream girl there
The love that is just what it seems.

The girl of my dreams
Is the sweetest girl
Of all the girls I know.
Each sweet coed like a rainbow trail,
